Treasurer: Jeff Jedlicka- Update on Tournament profit.

Secretary: Judy Vanover- U9 girls (Nikolic) were undefeated in the Force Tournament.

President: Jeff Grau-

Attended the AASI/ NOGSL meeting. Boys and girls can now register under both organizations. NOGSL does not feel that communities should be forced into the single carding system and will be registering under CASA. AASL believes in the more structured training etc and will be registering under US club soccer.

We as an organization need to decide which direction we would like to proceed in. Do we want to remain as is with the CASA philosophy or do we want to continue to improve/ possible partner with a club or create a club level in NR and follow the AASI/ OYSAN / US soccer philosophy? Pros/Cons discussed on behalf of both. Preliminary vote taken with majority in favor of developing the League with the AASL method. 3 members abstained from voting. We will discuss in more detail in February.
